Winery of the Month

The family sources grapes from some of the best vineyards across the state. These grapes complement those from our estate vineyards in Clarksburg, Lodi and the Sierra Foothills. To ensure the continued quality of our wines year over year, they work throughout the season with our grower partners. Our winemakers use artisanal techniques that are replicated in very few wineries of their size. From hand stirring our Chardonnay to aging the red wines in small oak barrels, they

know this approach helps each wine reach its full potential.
